Group Responsibility Agreement

Thank you for choosing to stay with us. We hope your stay will be enjoyable and ask that you review the following guidelines in preparation for your visit. Please be aware that these guidelines are strictly enforced to provide a safe and pleasant environment for your group, as well as our other guests. Thank you in advance for your cooperation in helping us provide a safe and comfortable stay for all of our guests.

I understand that excessive disruptive behavior could result in our being removed from the property with no refund. Quiet hours are from 11:00pm to 7:00am and are strictly enforced. To provide a quiet sleeping environment, excessive noise will not be tolerated during these hours.

I agree to be held responsible for any damages or loss of room revenue caused by my group. For example, other guests leaving early due to disruptive behavior, misconduct or excessive noise from the group. Our staff prior to and immediately following your group's stay will inspect rooms.

Roller skates/roller blades and skateboards are prohibited on the property. With respect for others, we ask that your group use headphones when listening to radios/Music Devices, unless you are in a designated area reserved for your group. Please leave the rooms in an orderly condition.

If your group is using our Meeting Space, it must be left in the same clean and orderly fashion in which it was found. We will supply room set-up and trash pick-up for these areas. In the event these areas are not left as they were found, a \$250.00 clean up fee will be assessed to your group's bill.

I agree that the Credit Card number listed below will be charged for any damages, losses and/or refunds incurred by our group during their stay. **We will make every attempt to communicate any potential problem with you and seek to find ways to prevent a situation rather than respond after one has occurred.**

I agree that our group fully understands and agrees to be bound by these guidelines during our stay.
